***Status of Claims***

1. In the Amendment dated 02/17/2006, Claims 5-8 have been added; therefore, Claims 1-8 remain pending.

***Allowable Subject Matter***

2. Claims 1-8 are allowed.

3. The following is an examiner's statement of reasons for allowance: Claims 1-8 have been found to be novel and inventive because prior art fails to show obtaining position data of a movable member (vehicle) only when it has been determined that the movable member has been stolen and is being transported with its main power at rest and then transported no more.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
